Edwardsburg Sports Complex Update:

As you're driving by the Edwardsburg Sports Complex, located at 27566 U.S.12, Edwardsburg, MI, west of the village of Edwardsburg please notice our new sign. This sign was erected last fall and was sponsored by Orthopedic Sports Medicine (OSMC). We use the sign to post events happening at the complex and in the community.

The Edwardsburg Youth Soccer Association began to utilize the ESC fields last spring.

This month we look forward to watching the fall season games played on the existing fields.

We are anxious to start construction on the balance of our 102 acre complex.

There are many things coming together that could allow us to save thousands of dollars if we are able to start construction this winter. However, for this to happen we are in need of community support. Please consider attending our donor appreciation open house on September 22, 2011, from 4 to

7 pm at the complex. See and hear more about what will be included in the Edwardsburg Sports Complex, our purpose, and our construction timeline.

We encourage you to attend our special events this fall and if you are in a position to give a donation to the complex please visit our web site for contact information: www.EdwardsburgSportsComplex.org. We are a 501c3 organization; therefore all donations are tax deductible.
